EPISODE FOUR: 'ART OF DIPLOMACY'

Cat, Sadie and Ollie attempt to catch The Agitators at an art gallery event, while Cat struggles to fulfil her duties as *the PM's Daughter*.

1. The Prime Minister is hosting officials from the United States of America to negotiate a trade deal. If you were gathering information on a future Trade Agreement between Australia and the USA, which news sources would you review in order to find reliable information? Are there any sources you would avoid? Why?
2. Cat, Ollie and Sadie try to catch The Agitators at the gallery to learn more about their motives and plans. If you – as an active digital citizen – were tasked with interviewing The Agitators for the local newspaper, what would you ask their members? Compose the headline, an engaging call to action and select an attention-grabbing image to run alongside the text.
3. Western Australian MP Carl Winston launches a campaign for his state to secede from Australia – to become separate to the nation. What would be the possible advantages and disadvantages for our country if WA were to secede? Build on your prior knowledge and do some research to inform your thinking, then document your ideas to arrive at some conclusions.
4. The Agitators manage to infiltrate an official event at the art gallery, vandalising a diplomatic gift to the U.S. trade delegation to highlight the threat of a WA secession from Australia. Taking on the perspective of one of the characters attending the event, write a short recount from their point of view.
