

Name _____

Date _____/_____/_____

Research task: Ocean science and living things

Research 5 sea creatures and list the physical and behavioural characteristics that you could include in your creature from *The Deep* design.

Name of creature	Physical characteristics	Behavioural characteristics	Sketch the creature
<i>For example, The Southern Sand Octopus (Octopus kurna)</i>	<i>Colour can range from orange-cream to maroon-red. Small suckers on tentacles.</i>	<i>Hides from predators by burrowing into the sand. Shoot out a jet of water to turn regular sand into quicksand.</i>
