Operating out of the granny flat in Ezra's backyard, these funny and mismatched kids from Grade Five are on call to solve any puzzle that crops up at school or in the neighbourhood. This team of savvy sleuths love nothing more than a mystery. No case is too big nor too small, whether it is finding missing deliveries, recovering stolen assignments, or working out why all the neighbourhood car alarms have stopped working. Not only are these five kid detectives making the neighbourhood a safer place, they are having the best time doing it!

Are You Tougher Than Your Ancestors

10 x 30 min

Flying Kite Pictures and Sticky Pictures

Are You Tougher than Your Ancestors? takes today's kids on a wild ride back through time, that pits the skills of today's kids against the exploits of children from Australia's past to find out how they measure up!

Fun and fast paced, we challenge modern kids to walk in the shoes of a child from another era. Each episode is built around a fresh and exciting story you won't find in the history books! The series explores ten incredible tales of children's exploits from the past. But while visiting familiar eras and events, each episode looks at them from a brand new historical viewpoint: through the eyes of the children who were there. Diving into new worlds, they learn as much about themselves as they do about history... and unearth some unexpected skills in the process!

First Day

4 x 24 min & 1 x 17 min

Epic Films

It's Hannah Bradford's first year of high school. It's also the first day she'll wear a girl's school uniform and go by her chosen name instead of the boy's name she was given at birth. As a 12-year old transgender girl, Hannah not only has to navigate the challenges that come with starting a new school, but find the courage to live as her most authentic self.

Winner of International Emmy Kids Award, Kidscreen Award, Banff World Media Festival Rockie Awards and runner up NHK Japan Prize.

Little Lunch

26 x 12 min or 13 x 24 min, 2 x 24 min specials
Gristmill

Little Lunch is a comedy series where every episode takes place during that highly-anticipated school day break – morning snack time! Filmed in a mockumentary style, each self-contained episode revolves around, and is told by, six diverse and distinctly identifiable children. This little comedy with heart tackles the big issues in the playground. Who gets to go on the monkey bars? Who gets to join whose club? Who gets their teacher, Mrs Gonsha, off the top of the slide pole when she gets stuck? Little Lunch tells stories that may seem small to adults, but loom large for kids. Little Lunch is an eminently relatable universal comedy for 6 – 12-year olds.

The original cast returns for two x half hour special episodes: The Halloween Horror Story and The Nightmare Before Graduation.

Winner of Prix Jeunesse, Chicago International Children's Film Festival, Finalist – Banff, Rockie Awards, and NHK Japan Prize.

You're Skitting Me

Series 1, 2 & 3 - 26 x 24 min and 26 x 12 min

Jigsaw Entertainment

You're Skitting Me is an edgy sketch comedy.

The show stars an ensemble cast of six teenagers and features a random mix of characters, parodies and animations. The sketches are made up of zombies, cavemen and scary girl guides, parodies of Twilight, Dr. Who, Masterchef and Gollum, new twists on fairy tales and talent shows, as well as some offbeat animations that will delight kids and parents alike.

This comedy series is aimed at children aged from 8 to 14, but will be sure to provide a laugh for everyone. Nothing is too absurd!

Ready For This

Lockie Leonard

Series 1 & 2, 52 x 24 min

Goalpost Pictures

What chance have you got when your dad's a cop, your mum's a frighteningly understanding parent, your brother wets the bed, your best friend's a heavy metal devotee and then you fall in love. It can only mean trouble, worry, mega-embarrassment and some wild, wild times.

Through the eyes of Lockie Leonard we view the truly mixed-up, yet very normal life of Lockie, his family and friends.

Lockie Leonard is based on the award-winning novels by 2002 Booker nominated author, Tim Winton.

Double Trouble

13 x 24 min

CAAMA

16-year old Yuma lives with her wealthy father and step family in Sydney. Kyanna, also 16, lives in a community in the central Australian desert with her mother and extended family.

Separated at birth, these twin girls are completely unaware that the other exists, until a twist of fate sees them meet in Alice Springs.

When the pair discover their connection, and decide they want to meet the parent they don't know, they agree to swap lives – just for a day. Little do they know what will go wrong. When each twin becomes stranded in the other's world, the fun really starts.

Mortified

26 x 24 min

ACTF & Enjoy Entertainment

Taylor Fry is a confused pre-teen doing her best to understand herself and her place in the world. A girl's got a lot to deal with on the brink of adolescence: a changing body, a flood of hormones, relentless judgement by her peers, even perhaps the stirrings of a first unrequited crush. Taylor is confronted by the lot!

Being a lively, smart-lipped kid with plenty of courage and attitude, Taylor feels she's an outsider within her own wacky family. She's a black sheep at school and a misfit amongst her seemingly perfect neighbours. Mortified taps into the awkward 12-year old in all of us.

Noah & Saskia

13 x 24 min

ACTF

Two teenagers find each other from opposite sides of the globe and change each other's lives. By projecting their ideal selves in a virtual world, they get a little closer to reaching their ideals in the real one. A mixture of live action, animation and visual FX, the series is set in Melbourne (Australia), London (England) and Webweave (Cyberspace).

Worst Best Friends

13 x 24 min

CoxKnight Productions Pty Ltd

What happens when your two best friends are worst enemies? When the rough and tumble Dusting turns up uninvited to be Roger Thesaurus' best friend, Thesaurus is in trouble – he already has a best friend, the bossy Millicent. Whenever Millicent and Dusting vie for Thesaurus' attention, sparks begin to fly!

Celebrating the absurdities of childhood, Worst Best Friends charts Thesaurus' course through the minefield of playground politics and family issues.

Legacy Of The Silver Shadow

13 x 24 min

ACTF

Josh, Alex, Campbell and Gretel are thrown together when they discover the underground headquarters of the Silver Shadow, a long-forgotten dead superhero. Although defeated in the 1950s by his arch enemy, the Crab, the Silver Shadow lives on as a digital recording in an old computer.

Reactivated, he convinces the unlikely team to take up his battle against evil and injustice. Meanwhile, in a retirement home across town, the elderly Crab has begun training his granddaughter Fiona to take over the family business.

Crash Zone

Series 1 & 2 - 26 x 24 min

ACTF

Mike, Pi, Marcello, Bec and Ram are smart, creative but radically different kids who have just scored part-time jobs testing prototype computer games. It's a blast, but it's not just computer programs that are being tested – loyalties, friendships and values are also on the line in the funny, compelling world that is the Crash Zone.

Round The Twist

Series 1, 2, 3 & 4 - 52 x 24 min

ACTF

When the Twist kids – Pete, Linda and Bronson – and their Dad leave the city for a quiet life in the coastal town of Port Niranda, they get more than they bargained for. The lighthouse the Twists have moved into is haunted, and Port Niranda is a town where the weird and unexpected regularly occurs. Ghosts, Vikings, magical underpants, runaway shadows... Round The Twist is an offbeat comedy series that will enchant the entire family.

Spellbinder

26 x 25 min

Film Australia/Telewizjca Polska

A freak accident transports suburban teenager Paul to a parallel world!

Here, the Industrial Revolution never happened and a powerful group called Spellbinders control the people by exploiting their fear and ignorance. Helped by a young girl, Riana and Paul must gather help from both worlds at the same time – or be marooned forever.

Paul escapes, but in the process Riana becomes trapped in his complex, industrial world. When an evil Spellbinder also discovers how to break through to Paul's world, he and Riana must use their wits and imagination to prevent her gaining access to unimaginable technology and power. Spellbinder is an exciting mix of adventure, fantasy and fun.

Spellbinder – Land Of The Dragon Lord

26 x 25 min

Film Australia/Telewizjca Polska/Shanghai Film Studios/Nine Network

While on a camping trip, suburban teenager Kathy meets Mek, a traveller between parallel worlds, and accidentally sends herself to the world of the Spellbinders. Ashka, the ruthless and power-hungry Spellbinder, tricks them into taking her to Mek's world: the Land of the Dragon Lord. It is an advanced world where the computer was invented 400 years ago, and all is ruled by a spoilt 10-year old boy. When Ashka attempts to take control of Mek's world, Kathy and Mek must race against time and across the boundaries of many dangerous and exciting parallel worlds to rescue Kathy's family and save the Land of the Dragon Lord.

The Valley Between

6 x 48 min or 12 x 25 min

Film Australia

Bruno Gunther is a 14-year old boy from a German immigrant family, growing up in a small Australian farming town in the 1930s. While his father preaches the virtues of hard work on the farm, Bruno finds all sorts of opportunities for mischief and adventure as he explores the world around him. Through his adventures, Bruno comes to appreciate and understand more about himself and his community.

A gentle family drama based on the beloved children's books of award-winning novelist, Colin Thiele.

The Genie From Down Under

Series 1 & 2 - 26 x 24 min

ACTF

When upper-class English girl Penelope finds a magic opal containing two Australian genies, Bruce and his son Baz, she thinks all of her problems are over. But Bruce has other ideas. He and Baz trick Penelope into wishing her family to Australia at every opportunity. Penelope hates Australia and is constantly trying to get back to England. It's a comedic battle of wills and a clash of cultures, as Penelope learns that there is a difference between power and wisdom.

Escape From Jupiter

13 x 25 min

Film Australia/NHK

When a volcanic eruption destroys the mining colony on Jupiter's moon Io, Michael, Kumiko, Kingston, Anna, Gerard and their parents must flee their crumbling world.

They convert a derelict space station into a makeshift spacecraft and start a desperate attempt to reach Earth. Together they share the hazards of existence on board the unlikely craft, and develop a close bond of friendship as they make their perilous journey.

Return To Jupiter

13 x 25 min

Film Australia/NHK

Michael, Kumiko, Gerard and Anna, last seen in *Escape From Jupiter*, are reunited on the *Icarus*, a solar cruiser that will take them back to their parents on one of Jupiter's moons. But the journey is far from a smooth one. Danger and excitement wait around every turn, as the children face a crash landing on Mars, hitch a ride on an asteroid, and race against two villains whose evil plan jeopardises the *Icarus* and its crew. *Return To Jupiter* is more than a science fiction adventure – it combines excitement with humour as the children learn to overcome adversity with courage and imagination.

The Girl From Tomorrow

Series 1 & 2 - 24 x 24 min

Film Australia

Alana, a 13-year old girl from the year 3000, is thrown back to our "strange and primitive" modern day world when a time travel experiment goes wrong. Silverthorn, a fugitive warlord thrown back in time with Alana, steals the time capsule which is Alana's only hope of returning home. Alana, with the help of only her personal wrist computer P.J. and her new friends Jenny and Petey, must battle Silverthorn for control of the capsule, or be stranded forever – a thousand years from home.

Sky Trackers

26 x 24 min

ACTF

Mike and Nikki are both scientists' children, living beneath the massive dishes of a space tracking station in the heart of the Australian outback.

Nikki is 13 and into science – her dream is to be the first person on Mars. Mike is 14 and into rock music – he thinks science sucks. Mike's horse and guitar are the only things that make his life at the station bearable – until he falls for Nikki, that is... Lively action, strong emotions, lots of fun and the cutting edge of science are all combined in an exciting series about children, their parents and the universe around them.

Whale Bay Adventures

26 x 12 min

MWP-RDB Thongs Pty Ltd.

Whale Bay is home to the disaster-prone Thong family and to Australia's least visited tourist attraction, the Giant Thong. But that may be about to change, because it's home to Holden Thong, a kid with a wild imagination who constructs gadgets from recycled scrap. Holden's father, Trevor, is determined to put Whale Bay on the map. Trevor's hare-brained, tourist-attracting schemes and Holden's ill-conceived contraptions ensure Whale Bay is perpetually about to be wiped off the map (before it's even on one). Holden's sister Narelle desperately wants to get out of Whale Bay, and his mother, Brenda, just wants things to be normal. Given Holden's best friend, Rerp, is a cane toad in a school uniform, there's little chance of that!

Beyond International

In the town of Hoopla live six extraordinary characters, each with their own amazing physical skill: Mimi runs the café in town while juggling muffins and milkshakes; Ziggy, the shop keeper, does magic tricks which go in surprising directions; Zap, the town messenger, delivers packages in the most acrobatic manner possible; Bop, Mr Fix-It is able to lift almost anything; flexible Squidgie looks after the town garden and can often be found inside a pot-plant, finally Jango, the street sweeper, is always playing tricks and causing mischief.

Inspired by circus performers and commedia dell'arte, they tumble, juggle, leap and somersault in and out of trouble. But whenever anything goes wrong – and it usually does – they always have each other to fall back on.

Lift Off!

Series 1 & 2 - 23 x 48 min or 39 x 48 min

ACTF

A group of young children who live in an apartment building share a world of fun and imagination. Their stories reflect the joys and occasional sorrows of growing up, and emphasise the wonder of new experiences.

The live action storyline is interspersed with short animation, puppetry and documentary segments. Lift Off! stimulates children on many levels, with songs, stories, word games, play and fantasy in each episode. It features a cast of funny and enchanting characters, such as EC, the magical rag doll; Rocky, the frilled-necked lizard explorer; LOTIS, an intelligent elevator; and Mr. Fish, the building caretaker, obsessed with rules and regulations.

Lift Off! never underestimates the young child's capacity to think, imagine, understand, question and learn.

Kaboodle

Series 1 & 2 - 19 x 24 min

ACTF

Woven Threads

8 x 5 min

Benchmark Media & Entertainment

Woven Threads is an 8 x 4 to 5-minute series, which through beautiful and powerful animations presents many varied and moving stories of refugees.

The animations are designed to elicit empathy and understanding so it is the human and not the refugee experience that is central.

By finding this common ground, maybe, for a few minutes, the debates, disputes and fears surrounding migrants, refugees and asylum-seekers might be suspended and replaced by empathy.

Wacky World Beaters

20 x 24 min

Active TV

Wacky World Beaters is a kids' factual series featuring two highly competitive, slightly zany hosts who set off on a global discovery tour of wacky competitions.

Their mission? To find the world's ultimate wacky sport! In this hilarious, action-packed series, Amberley and Gilly compete against the world's best – and each other – while uncovering amazing people, culture and history wherever they go.

MY:24

26 x 12 min or 13 x 30 min

Essential Media and Entertainment

26 young people from around Australia tell their story about the day that changed their lives forever, and how the events of 24 hours can fundamentally change attitudes and aspirations.

The highly aspirational stories are told by 11 – 21 year olds, expressed in their own words and using their own images.

In an upbeat, visual feast of social media inspired storytelling, each 24 minute episode features two individual stories that are interwoven, with participants taking us on a personal journey to relive their 'MY:24' event and the transformational impact it's had on their lives.

In each episode, the young person is the driver in the telling of their own story in their own words, with content created specifically for the series.

First Day

1 x 55 min or 1 x 75 min

ACTF

First Day follows 11 young Australians as they launch themselves into their first day of school. We follow the children and their families in the weeks leading up to the first day and observe the variety of ways in which family cultures and contexts affect the preparation of each child for school.

When the first day arrives, we follow the children waking up, getting ready, going to school and their reactions to being there. From tears to jubilation, this documentary captures every precious and painful moment of the all-important first day.

Songs of Innocence

1 x 60 min

ACTF

For children, family life has changed dramatically in recent years. Parents are older. Children are fewer. Often both parents work. One third of Australian marriages end in divorce.

Songs of Innocence features 13 children from 9 families, talking candidly about the often painful business of growing up in diverse family structures. It shows the complications that children face as they sort things out on their path to adulthood, as well as the importance of the parents' role and of communication in families.

Handball Heroes

20 x 5 min

Carbon Media

Slide on your sweatbands, grab some chalk and join our Handball Heroes, Joel and Alannah as they take off on an action-packed quest to find the best handball moves from 20 quirky, fun kids from Sydney, right up to the Torres Strait at the very top of Queensland and everywhere in between.

We meet with their family and friends, see their hobbies and hear about their heroes in the 'Hero Package'. After Alannah and Joel have worn themselves out chasing after our energetic handballers, it's time for their signature move... a move that combines each individual child's unique influences, hobbies or aspects from their community. Each move is then 'booked' in the 'Handball Heroes Handbook' for the rest of handball history!
